BSc. Project Logbook

Student Name: Saphal Chudal **LMU ID: 23049987**

Meeting No: 19 **Start Time: 09:00 A.M**

Date: 2026-04-19 **End Time: 12:00 P.M**

Items Discussed:

1. Review of final project documentation
2. Review of FreelanceHub website functionality and features
3. Feedback on overall project presentation and readiness
4. Final suggestions before submission and viva

Achievements:

The final documentation and website were successfully reviewed by the supervisor. The overall system implementation, features, and project presentation were appreciated, confirming that the project had reached a complete and presentable stage. Final feedback helped polish both the report and the website before the final assessment.

Problems:

Only minor issues were identified, mainly related to formatting adjustments in documentation and small UI improvements on the website. These were manageable and did not affect the core functionality of the system.

Tasks for the Next Meeting:

1. Prepare for Viva Presentation
2. Review project features and implementation details
3. Practice answering technical questions
